

The Sun Atmosphere الغلاف الجوي للشمس

1- Label the part of sun atmosphere

Corona

Chromosphere

Photosphere

2- compare between the layers of sun

atmosphere:

| | | | | |
|-------------|-------------|------------------------|--------------------------|-------------------------|
| Visible | Not Visible | ultraviolet wavelength | visible light wavelength | Outside the photosphere |
| Not Visible | innermost | outermost | Emit X-ray | |

| | Corona | Photosphere | Chromosphere |
|----------------------|--------|-------------|--------------|
| Visible /not visible | | | |
| location | | | |
| Wavelength emit | | | |
