

## Cloudy with a Chance of Meatballs

### Cause and Effect

- ✓ **Cause**- the reason why something happens.
- ✓ **Effect**- the result of what happened.

Complete the activity below. Select the correct answers.

#### Cause

The townspeople ate too many cream cheese and jelly sandwiches.

#### Effect

When the townspeople went outside, they carried their plates, cups, glasses, forks, spoons, knives and napkins with them.

The townspeople glued giant pieces of stale bread together.

No food fell from the sky in the new land.
