

You can count

on me...

If you ever find finds yourself stuck in
the middle of the see sea,

I'll sail the world to found find you

If you ever find fine yourself lost in the
dark and you can't see sea

I'll be I've been the light to guide you

Find of out what we're made of

When we are called to help our friends in
leed need

You can come count on me like one two

three, I'll I'm be there

And I know when I need it I come

can count on you

like four three two, you'll be three there

'Cause that's what friends are supposed to
do, oh yeah

If you tossin' lossin' and you're turnin' and

you just can't felt fall asleep

I'll sang sing a song beside you

And if you ever forget how much you
really mean to for me

Everyday I need will remind you

Find out what we're made on off

When we are called to help our friends in
lived need
