

1. Read the e-mail from Joe and then complete the answer with the words given.

Dear Claire,

How are you? It's winter here and it's really cold.

I love winter. It's my favourite season. I like skiing and playing in the snow with my friends. I don't like spring because sometimes there are tornadoes.

I don't like rain but my little sister loves it, she jumps and runs in the rain.

What's your favourite season?

Write to me back soon!!

Bye!! ☺Joe
