### Back to Bed

If you are (1) \_\_\_\_\_ up of hearing your parents telling you to get up, you should tell them that studies have shown that sleeping is good for you and especially good for teenagers. In fact, doing (2) \_\_\_\_\_ the necessary sleep could affect your brain. Tests (3) \_\_\_\_\_ out on teenagers in Britain showed that students who slept 10 hours did better in exams than those who slept between six and eight hours. Some schools have (4) \_\_\_\_\_ to a decision to start classes later so that school children can get an extra hour's sleep. However, this only works if the students go to bed on time. Since studies suggest that teens find it difficult to fall asleep before 11, you should (5) \_\_\_\_\_ your best to be in bed by 11 o'clock. If you can, you will be (6) \_\_\_\_\_ yourself a favour and maybe you will manage (7) \_\_\_\_\_ your marks.

## C) CHOOSE THE CORRECT MODAL:

It's very easy to upload a video to YouTube. You (1) \_\_\_\_\_ upload videos from phones, tablets or computers. First, you (2) \_\_\_\_\_ choose the video file that you want to upload. There are some video files that you (3) \_\_\_\_\_ upload so make sure it is the right type of file. When you have chosen it, click the 'share' button and you will have the option to name your video. You (4) \_\_\_\_\_ name it but it's a good idea so people can find it easily. Your video is now uploaded. If you have any problems uploading, you (5) \_\_\_\_\_ try checking the YouTube help page.
