Dear _____,

I hope this letter finds you well. I am writing this letter to you because my _____ was stolen and so I no longer have your _____ where you are now, but I still have the _____ you gave me.

I hope that you will not think I simply do not want to talk to you _____ as this is not the case. I miss you being here with me like you used to when we were _____. I miss coming home from school on an evening to ride our _____ together or sitting in front of the _____ watching those nature _____ we used to love, it seems we lost more as we grew up than we knew. I will never forget those days we spent together here, they were some of my happiest memories and it will never be the same again. I do hope you are having a good time in _____ though and that you have made many _____ friends. I heard there are a lot of cool _____ there so I hope to get to see them someday as well.

Your friend always,
