

Listening exercise

Name _____

Hear carefully the following audio and complete the text.

I don't think we'll have grocery stores in fifty years. _____ ? So, you're saying that no one will go _____ for food in the future?

That's right. I _____ that we'll buy _____ we need online. No way! So what if I want to get just one carton of juice? Do you mean that I'm going to go online and order that?

Not quite. I think your _____ will automatically _____ when you need more juice, and it will order it for you.

Do you _____ believe that things in our house will do the shopping for us?

Yes. That's exactly what I mean. That _____ be awesome!

Write a text in **simple future** using the following words (add the words you need)

Rely on, interfere, take over

60 words
