7 SP01 Mini-Quiz 2

SP01 Students will be expected to demonstrate an understanding of central tendency and range by

- determining the measures of central tendency (mean, median, & mode) and range
- determining the most appropriate measures of central tendency to report findings

Between January and March one year, school was cancelled in Snowytown seven times due to blizzards. The following data gives the number of days each blizzard lasted: 1, 4, 2, 3, 2, 2, 5.

Find the mean, median, range, and mode for this data.

Median:

Range:

Mode:

Mean:
