

GREAT VALUE

- Children, you did a great job!

Thank you, boss. We like digging up.

- Thank you, boss. We like dig up.

Thank you, boss. We are liking dig up.

- I really like hearing that! But you tell me, what part did you like most?

We love classify artefacts.

- We love classifying artefacts.

We are loving classify artefacts.

- And what part did you like least?

We are don't like cleaning the artefacts.

- We don't like cleaning the artefacts.

We don't like clean the artefacts.

- Well, anyway, congratulations! You discovered artefacts of great value! I think we can add them to our museum collections.

Do you like museum collections?

Yes, we are liking museum collections.

- Yes, we like museum collectioning.

Yes, we like museum collections.

- It makes me glad, because I want you to help Mr. Bones in that work. You will help Mr. Bones preparing a new collection for the museum. Do you like the idea?

Of course, we like the idea!

- Of course, we are liking the idea!

Of course, we don't like the idea!

- Great, children!

Boss, we want to ask you something.
Do Mr. Bones like working with us?

- Boss, we want to ask you something.
Does Mr. Bones like work with us?

Boss, we want to ask you something.
Does Mr. Bones like working with us?

- Yes, he loves working with you!

And do he like collecting things?

- And does he like collecting things?

And does he like collect things?

- Absolutely! That's the reason he became an archaeologist.
Goodbye children!
