Edge of great

Julie and the phantoms

_____from the past
Tripping on the now
What is lost can be found, it's obvious
And like a rubber ball
We come bouncing back
We all got a second act, inside of us
I believe
I _____ that we're just one dream
Away from who we're meant to be
That we're standing on the edge of
Something big, something crazy
Our best days are yet unknown
That this moment is ours to own
'Cause we're standing on the edge of_____
(On the edge of great) great
(On the edge of great) great
(On the edge of great)
'Cause we're standing on the edge of great
We all make mistakes
But they're just stepping stones
To take us where we wanna go
It's never straight, no
_____we gotta lean
Lean on someone else
To get a little help
Until we find our way
