Hello! I Am 13 and I am an exchange student in year 2 at N° 24 State School in Santa Fe, Argentina, but I'm from the USA.

At my school in Santa Fé, we study in the morning. Classes are from 7.30 am to 1.30 pm. We have 11 different subjects: History, Science, Maths, Spanish, Biology, English, Music, PE, Art, ICT and Citizenship. My favourite subjects are English and Music. The Music teacher, Mr. Fernández is my favourite teacher. We can sing our favourite pop songs in his classes! There are different extracurricular classes in the afternoon where we can play instruments, write poems, perform acrobatics or do yoga.

Our school is 100 years old, but it has got very modern equipment. There is a modern computer lab, where we can surf the net to find information. The library is very old, but it has got new books too. I love the science lab because we do experiments there. But my favourite place at school is the canteen. We go there after class and we have a great time! We sometimes have lunch there. Their pizzas are wonderful! We have got a lot of work, but teachers are really nice.
