

What's the weather like?

1. Look at the map of Europe and the cities. Listen to the weather forecast and write the temperature on the map.

2. Listen again and decide if the sentences are TRUE or FALSE. (Write T or F)

- It's wet and windy in the north of Europe.
- It's going to be wet and windy in Poland and Germany.
- Berlin and Warsaw are cooler than Oslo.
- It's cold and rainy in Moscow.
- It's a warm day in Rome, 24°.
- It's going to be sunny and warm in Turkey.
- It's going to be extremely hot in Athens.
- Portugal and Spain are going to be warmer than Greece.
- France is going to be cool in the south and hot in the north.
