

## Gravity by Coldplay

Listen to the song and use the verbs in brackets in the correct tense to fill in the gaps:

Baby,

It \_\_\_\_\_ **(be – present perfect)** a long time coming,

Such a long, long time.

And I can't stop running,

Such a long, long time.

Can you hear my heart beating?

Can you hear that sound?

Cause I can't help thinking

And \_\_\_\_\_ **(stop – future)** now

Chorus:

And then I \_\_\_\_\_ **(look – past simple)** up at the sun and I could see

Oh, the way that gravity \_\_\_\_\_ **(pull – present simple)** on you and me,

And then I looked up at the sky and \_\_\_\_\_ **(see – past simple)** the sun,

And the way that gravity \_\_\_\_\_ **(push – present simple)** on everyone,

On everyone.

Baby,

When your wheels stop turning

And you \_\_\_\_\_ **(feel – present simple)** let down

And it seems like troubles

\_\_\_\_\_ **(come – present perfect)** all around

I can hear your heart beating,

I can hear that sound,

And I can't help thinking.

And I \_\_\_\_\_ **(not look – future)** now.

Chorus
