

PART 2: CONTINUE READING

Robinson, 19

"I have been hunting in the rainforest with my dad since I was 13. Now I take my younger brother, who is 12, with me."

"The family have a new jungle pet, a quati, which they will keep tied up until it is tame."

Mauro, 6

"I have a pet turtle which I feed with ripe bananas. I would like a small monkey as a pet."

B. Are these sentences true or false?

1. Robinson plays in the forest with his brother. _____
2. Robinson goes hunting with his father and his brother. _____
3. Robinson's quati walks around freely. _____
