G. Keep on reading about Lizbeth and complete the text using: because / and / but / so.

There are very few roads deep in the rainforest, \_\_\_\_\_  
the children in Mondana don't have a school bus...  
\_\_\_\_\_ they have a very special way to go to school,  
the school canoe. Without the school canoe, most of  
would not be able to go to school.

Lizbeth takes the canoe too \_\_\_\_\_ she has to cross the river to get to school and there  
isn't a bridge. Her friend, Henry, usually waits for her at the other side of the river \_\_\_\_\_  
then they walk to school together.

H. Go on reading and complete this conversation between a reporter and Henry. The reporter is interested in knowing about the people who live in the Amazon Rainforest.

Reporter: Hello! Tell me, \_\_\_\_\_ ?

Boy: My name is Henry.

Reporter: \_\_\_\_\_ ?

Boy: No, I don't live here, in Mondana. I attend school here  
but I live in a small town called Archidona with my family.

Reporter: \_\_\_\_\_ ?

Boy: My parents work the land. They are farmers.

Reporter: \_\_\_\_\_ ?

Boy: Yes, I do. Living in the rainforest is great.
