A screenshot of an interactive game slide. The top left shows a timer at 0:13 and the top right shows a checkmark and the number 0. The main text in the center asks, "Qual a fruta preferida de Ana?" Below the text are three options: a red apple labeled 'A', a green pear labeled 'B', and a bunch of blueberries labeled 'C'. A blue button labeled 'COMEÇAR' is positioned over the pear. At the bottom, there are navigation icons for a menu, back, forward, and search, along with a 'Compartilhar' (Share) button. The footer indicates the game is from 'CORES/FRUTAS' by 'Ceesam'.
