Mrs. Grey was a primary school teacher. Once she asked her students to write about their dreams. One of them wrote: "I'd like to be a Television. I want to take its place and live like the TV in my house. I want my family around me. I want to be the centre of attention. I want to have the company of my dad when he comes home from work, even when he is tired. And I want my mom to want to spend some time with me. I can make them all happy."
