

Writing Check List:

For homework, you must write a letter about your neighbourhood. The letter should be to your teacher. The letter should have 5-10 sentences. You should use adjectives. After you finish writing by hand, use this check-list. Make sure you did everything on the list.

1. Did you write 5-10 sentences about your neighbourhood?
2. Did you use a capital for all place names, people names, months and "I"?
3. Did you use a period to finish each sentence?
4. If you used commas, are they correct?
(Before "and", "but", or "so", in a list, after a phrase)
5. Did you use some adjectives?
6. Do you check the writing for spelling mistakes?
