.....

.....

Part 3: Read and complete the sentences.

..... / 5 correct answers

There's lots of plastic at home. We use plastic to make many doors, window frames, and roofs. Plastic is strong, and it stops rain getting into our homes. Plastic pipes take rain water from our roofs.

We use some plastic to make fibers. We can make plastic fibers in different colours. We use plastic fibers to make many carpets and curtains. We make lots of clothes from plastic fibers, too.

1. From plastic we can make for houses.
2. Roofs are made from plastic because
3. People can produce plastic fibers with different
4. We can make using plastic fibers.
5. We also make from plastic fibers.

Part 4: Read and complete the tasks.

..... / 9 correct answers

Recycling plastic

We can recycle old plastic to make new things. This is how we recycle plastic bottles to make T-shirts.

1. We take plastic bottles to a recycling center.
2. We take the bottles to a factory.
3. We break the bottles into small plastic pieces.
4. We use the plastic pieces to make fibers.
5. We use the fibers to make T-shirt.

We recycle old plastic to make lots of new things. We recycle plastic bottles to make T-shirts, kayaks, chairs, carpets, and playgrounds. We recycle plastic bags and plastic bottles to make new bags and bottles.

Task 1: Number the sentences in order.

- | | |
|--|--|
| | The bottles are broken into pieces. |
| | The plastic pieces are made into fibers. |
| | The bottles are carried to a factory. |
| | The fibers are used to make T-shirts. |

☐
