Manga Books

You can find manga on the Internet, too. There are also manga computer games and manga cartoons on television. There are even manga cafés, where you can look at manga on the Internet, or read manga books and magazines.

Manga started in Japan, but it's now popular in many countries. Some libraries in the USA have manga reading groups.

# At the Game

A Basketball Game, USA

Basketball is the most popular team sport in the USA. Many students are in school or college teams. Lots of other people play the game in their free time, on courts or in their gardens.

Basketball is a fast game. It's fun to play and it's fun to watch. People like to support their friends or family at the games. They also watch their favorite team on television.

Basketball is very popular in China. About 300 million people play it, and 450 million people watch it on television.

Cheerleaders support their team at the games. About three million people in the USA are in cheerleading groups. Today most cheerleaders are female, but when cheerleading started it was only for men!

Cheerleading isn't easy. You have to be good at dance and gymnastics.
