

THE BOAT RACE

1. Listen to the story and read and order the sentences:

a Don't worry. We can make a sail.

b Let's use solar power!

c Are you ready for the boat race?

d We can make a battery out of lemons.

e Oh no! I've only got three batteries. We need four.

f It isn't windy. What are we going to do now?

2. Listen and correct the mistakes, rewrite the whole text (not the title) with no mistakes:

OUR ADVENTURE BLOG by Lily, Josh and Ravi

In this adventure, we enter a car race and Lily makes our boat. The boat doesn't work because it's only got two batteries. First, we make a chair, but that doesn't work because it isn't raining. Next, we want to use electric power, but we haven't got anything we can use as solar panel. Finally, Mum helps us make a battery out of oranges. We can't believe it when the boat moves. We don't win the race, but it's great fun!
