

MISSING WORDS

I must have (left/kept) my house at eight because I always do.

My train I'm certain left the station just when it was due.

I must have (led/read) the morning paper going into town,

And having gotten through the editorial no doubt I must have (drowned /frowned).

I must have (made/named) my desk around a quarter after nine.

With letters to be read and heaps of papers waiting to be signed

I must have (gone/conned) to lunch

at half past twelve or so the usual place the usual bunch.

And still on top of this I'm pretty sure it must have (drained/ rained)

The day before you came.
