

MODAL VERBS: CAN, COULD, BE ABLE TO

Modal verbs can be considered as auxiliary verbs which add meaning to the sentences. Most modal verbs are invariable in their form. They are always followed by other verbs in the infinitive form.

	USES	EXAMPLES
CAN	Ability Possibility Ask for and give permission	I can speak four languages. Can you come tomorrow? Can I borrow a pencil? Yes, you can.
CAN'T (CANNOT)	Negative ability Negative possibility Prohibition	My friend can't drive. She can't come to your birthday party. You can't park here.
COULD	Past general ability Polite request (in present)	I could swim when I was 4. Could you sign here, please?
COULDN'T	For specific occasions involving inability (in past)	The rescue team couldn't find the hiker.
BE ABLE TO	Ability and possibility in all tenses (perfect forms, gerund, infinitive...)	I have been able to swim since I was five. You will be able to speak perfect English very soon. I would like to be able to fly an airplane.

BE ABLE TO

BE ABLE TO is NOT a modal auxiliary verb. We include it here for convenience, because it is often used like "can" and "could" for general ability in the past and present. But "can" and "could" can't be used in other tenses, so we must use the correct form of BE ABLE TO.

GENERAL ABILITY PRESENT SIMPLE	I can play the violin. ✓ I'm able to play the violin. ✓ She can't ride a horse. ✓ She isn't able to ride a horse. ✓
PAST SIMPLE	She could read before she was 5. ✓ She was able to read before she was 5. ✓ I couldn't swim when I was little. ✓ I wasn't able to swim when I was little. ✓
OTHER TENSES	How long have you been able to speak English? I want to be able to speak English fluently. I hate not being able to communicate with people when I am in England.

When we talk about specific occasions in the past, we can only use WAS/WERE ABLE TO for positive sentences. For negative sentences we can use WASN'T/WEREN'T ABLE TO and COULDN'T. Look at these examples:

SPECIFIC OCCASION positive	The rescue team could find the hiker. ✗	The rescue team were able to find the hiker. ✓
negative	The rescue team couldn't find the hiker. ✓	The rescue team weren't able to find the hiker. ✓

Now do the following exercises.

1/ Put the sentences in the correct order.

1. like / I / late / Sundays. / to / being / able / sleep / on
2. couldn't / year. / us / William / last / visit
3. I've / eight. / I / was / been / to / ski / able / since
4. You'll / to / your / in / able / Mexico. / be / practice / Spanish
5. very / French / well. / speak / Julia / can't
6. please? / window, / you / close / Could / the

2/ Write the correct answer. Some sentences are in negative.

1. Jenny _____ play the piano since she was five.
