

# WEATHER CHARTS

Can you remember this tool? In Unit 3 of Social Science we use it to know more about the climate.

Now we are going to remember how to draw it and interpret it.

1. Look this video about how to draw a Climate graph or a Weather chart (it is the same, different names). If you prefer, we talk about them in Unit 3 (p.46 and 47).

2. Draw a Weather Chart in your notebook with the following chart:

Tº	5	7	10	13	16	20	24	26	20	14	9	6
P	45	40	33	55	38	25	13	9	30	45	60	51
