

ARITMÉTICA

Lee con atención y resuelve. Camila tiene 2 bolsas con 3 pelotas rojas.
Jimena tiene 2 bolsas con 4 pelotas verdes.

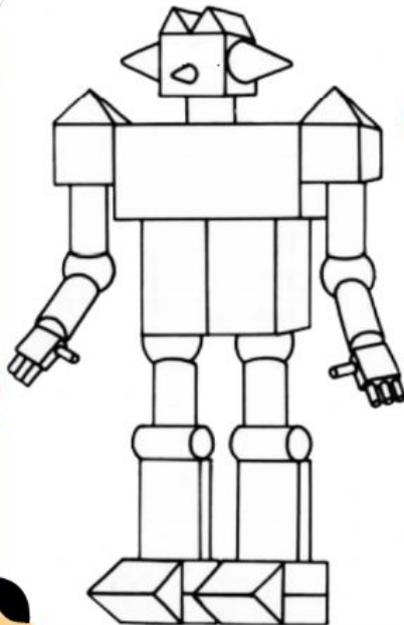

¿Cuántas pelotas rojas y verdes tienen las dos niñas en total?

$$(2 \times 3) + (2 \times 4) =$$

Diagram illustrating the multiplication and addition process:

Two orange boxes are shown under the first multiplication, and two green boxes are shown under the second multiplication. An orange arrow points from the first multiplication to the first orange box, and a green arrow points from the second multiplication to the first green box. Below these, a yellow box is shown under the plus sign, with the word "pelotas." written next to it.

GEOMETRÍA

Observa y completa.

¿Cuántos conos, cilindros y esferas tiene el robot?

Cono =

Cilindro =

Esfera =
