Brown's acting __ (9) __ started after her family moved from the UK to Florida when she was eight. She never took acting lessons, but she was able to perfect an American __ (10) __ by watching TV. In 2013, Brown was given her first on-screen acting role in Once Upon a Time in Wonderland. However, it was the role of the telekinetic child Eleven in season one of Stranger Things that gave Brown her big break. With her brilliant physical acting, she took a part with little dialogue and turned it into a(n) __ (11) __-winning performance. Earlier this year, Brown appeared in Godzilla vs. Kong.

(A) career (B) award (C) accent (D) despite (E) influential

7. () 8. () 9. () 10. () 11. ()

Brown is used to wearing makeup for her roles. However, she was surprised to discover no makeup brand had created a product for somebody like herself. So in 2019, she launched Florence by Mills, a cruelty-free line of beauty products aimed at Generation Z. Brown will give a portion of the profits to a cancer charity in honor of her friend Olivia Hope LoRusso, who passed away of cancer in 2017. Brown works for the United Nations agency UNICEF, which is responsible for providing aid to children. In 2018, she became UNICEF's youngest ever Goodwill Ambassador. Brown has a number of acting projects in the pipeline. They include season four of Stranger Things.

- () 12. What do we know about Brown's beauty products?
(A) They were released last year. (B) They were designed for Asian people.
(C) They weren't tested on animals. (D) They are supported by UNICEF.
