

***We love the Earth, it is our planet***  
***We love the Earth, it is our \_\_\_\_\_ (x 2)***

Hi, I'm a baboon  
I'm like a \_\_\_\_\_, just less advanced and my an\*s is huge  
Hey, I'm a zebra  
No one knows what I do, but I look pretty \_\_\_\_\_  
Am I white or black?  
I'm a lion \_\_\_\_\_, and I'm always getting licked  
  
How's it going? I'm a \_\_\_\_\_  
You drink milk from my t\*  
I'm a fat, f\*cking pig, I'm a common \_\_\_\_\_  
I'm a disgruntled skunk, shoot you out my butthole  
I'm a marijuana plant, I can get you f\*cked up  
And I'm Kanye West

***We love the \_\_\_\_\_, it is our planet***  
***We love the Earth, it is our home***  
***We love the Earth***

Ba-dum-da-dum-dum, ba-dum-da-di  
We are the vultures, \_\_\_\_\_ on the dead  
We're just some \_\_\_\_\_, h\*rny as heck  
I'm just a giraffe, what's with this \_\_\_\_\_?

Hippity-hop, I'm a kangaroo  
I \_\_\_\_\_ all day, up and down with you  
I'm an elephant, I got \_\_\_\_\_ in my trunk  
What the f\*ck? I'm a clam!  
I'm a wolf. How!!  
I'm a squirrel, lookin' for my next nut  
And I'm a pony, just a \_\_\_\_\_ horse, heh-heh-heh  
But, uh, c'mon, get on (Yah)  
Giddee-up, let's ride

I'm HPV, don't let me in  
I'm a koala and I sleep all the time  
So what? It's cute  
We love you, \_\_\_\_\_  
We love you, Africa  
We love the Chinese  
We forgive you, \_\_\_\_\_

*Earth, it is our planet*  
*We \_\_\_\_\_ the Earth, It is our home )*  
*We love the Earth*

I'm a man. Can you \_\_\_\_\_ me?  
I've truded the Earth for so damn long  
And still don't know shit  
I hope it's not a \_\_\_\_\_  
Give each other names like Ahmed and Pedro  
And, yeah, we like to wear clothes, girls still look beautiful  
And it covers up our human d\*ck , eat a lot of \_\_\_\_\_ fish  
But these days, it's like we don't know how to act  
All these shootings, pollution, we \_\_\_\_\_ attack on ourselves  
Like, let's all just chill, respect what we built  
Like look at the internet! It's cracking as hell  
Fellas, don't you love the c\*m when you have sex?  
And I heard women orgasms are better than a d\*ck

So what we got this land for? What we gotta stand for?  
\_\_\_\_\_, and we love the Earth

Oh, yeah, baby, I love the Earth  
I love this planet

Hey, Russia, we're cool, Hey, Asia, all of you, c'mon  
Every one of you from the \_\_\_\_\_ to the Sahara  
Let's \_\_\_\_\_ together and live

C'mon everybody, I know we're not all the same  
But we're \_\_\_\_\_ on the same Earth

*Have you ever been to Earth?*

Everyone who is listening has been to Earth, Ariana  
We're not making music for \_\_\_\_\_ here

*Are we gonna die?*

You know what, Bieber? We \_\_\_\_\_ die  
I'm not going to lie to you  
I mean, there's so many people out here who don't believe Global  
Warming's a real thing. You know?  
We gotta \_\_\_\_\_ this planet. We're being stupid  
Unless we get our sh\*t together now
