

ONE WAY OR ANOTHER by Blondie

And if the lights are all out
I'll follow your bus downtown
To see who's hanging out

One way or another find you
I'm going to get you, get you, get you, get you
One way or another I'm going to win you
I'm going to get you, you, get you, get you
One way or another I'm going to see you
I'm going to meet you, meet you, meet you, meet you
One day maybe next week, I'm going meet you
I'm going to meet you, I'll meet you

I will drive past your
And if the lights are all down
I'll see who's around

One way or another I'm going to find you
I'm going to get you, get you, get you, get you
One way or another going to win you
I'll get you, I'll get you
One way or another I'm going to
I'm going to meet you, meet you, meet you, meet you
One day maybe next week,
I'm going to meet you, I'll meet you

or another I'm going to lose you
I'm going to give you the slip
A slip of her lip or another's
I'm going to lose you
I'm going to trick you, I'll trick you
One way I'm going to lose you
I'm going to trick you, trick you, trick you, trick you
One way or another I'm going to you
I'm going to give you the slip

I'll walk down the mall
Stand over by the wall
Where I can see it all, find out who you call
Lead you to the checkout
Some specials and rat food
Get lost in the crowd

One way or another I'm to get you
I'll get you, I'll get you, get you, get you, get you
Where I can see it all, find out who you call
One way or another I'm going to get you
I'll get you, I'll get you, get you, get you, get you
Where I can see it all, find out who you call.
