

## ONE WAY OR ANOTHER by Blondie

And if the lights are all out  
I'll follow your bus downtown  
To see who's hanging out

or another I'm going to lose you

One way or another find you

I'm going to get you, get you, get you, get you

One way or another I'm going to win you

I'm going to get you, you, get you, get you

One way or another I'm going to see you

I'm going to meet you, meet you, meet you, meet you

One day maybe next week, I'm going meet you

I'm going to meet you, I'll meet you

I will drive past your

And if the lights are all down

I'll see who's around

I'm going to give you the slip

A slip of her lip or another's

I'm going to lose you

I'm going to trick you, I'll trick you

One way I'm going to lose you

I'm going to trick you, trick you, trick you, trick you

One way or another I'm going to you

I'm going to give you the slip

I'll walk down the mall

Stand over by the wall

Where I can see it all, find out who you call

Lead you to the checkout

Some specials and rat food

Get lost in the crowd

One way or another I'm going to find you

I'm going to get you, get you, get you, get you

One way or another going to win you

I'll get you, I'll get you

One way or another I'm going to

I'm going to meet you, meet you, meet you, meet you

One day maybe next week,

I'm going to meet you, I'll meet you

One way or another I'm to get you

I'll get you, I'll get you, get you, get you, get you

Where I can see it all, find out who you call

One way or another I'm going to get you

I'll get you, I'll get you, get you, get you, get you

Where I can see it all, find out who you call.
