Hi Helen,

I've just got more information about the tournament at the local tennis club next week. I think I'm going to ¹ the
because I like tennis, and it looks like fun. The tournament isn't only for people who are good at tennis. They want to ² people ³ to play, even if they aren't very good at it. Why don't you ⁴ a ⁵ at playing a few matches? It's all friendly and just for fun, so it doesn't matter if you ⁶ all your ⁷. But if you do very well, you might ⁸ a ⁹! I think they're looking for members for their club, too. I hope you can make it – we don't want to ¹⁰ the ¹¹ to take part.

Text me if you want to know more.
