

Name: _____

Class: _____

RI.No: _____

See page no. 9 in your Textbook

III. Read the following sentence from your lesson and identify the underlined expression.

He nibbled at the root and the sugar-cane. The expression *sugar-cane* is a compound noun. It is a combination of two nouns.

sugar + cane = sugar-cane

Now read your lesson and pick out at least two compound nouns.

Let's form some compound nouns now.

Join each word in column –A with a suitable word in column – B to form compound nouns. The first one is done for you.

Write your answer in the given box

Column – A

Column – B

Compound Word

birth

cycle

birthday

door

bell

fire

kerchief

hand

light

moon

shine

motor

way
