

Zoe Wees – Girls like us

Drag and drop.

It's hard for girls like us
We don't know who we trust
Not even the ones we love
'Cause they don't know

Stuck here
Stuck here in these _____
So sick to my _____
Is anybody there?
Red lights
Red lights in the _____
Everyone's so heartless
Does anybody _____ ?

It's so hard to _____
With your heart in a cage
Only whisper but you wanna _____
'Cause the second you wake
Too much _____ to take
Every part of you wants to cry out

*It's hard for girls like us
We don't know who we trust
Not even the ones we love
'Cause they don't know
Try to numb this pain
'Cause we don't wanna get hurt again
Left alone out in the rain
They don't know*

Mirror, mirror on the wall
I don't see _____
Staring back at me
Watching, watching my _____ bleed out
Trying not to _____
