Matera is a city in Southern Italy. It is located on the side of a hill(7) a steep river valley.
The city has many caves. They have been lived in for over 12,000 years. That makes Matera the
third-oldest city in the world. Over the years, people added churches, stables for animals, and water
systems. They(8) streets on top of older caves and reached the top of the hill in the Middle Ages.
By the seventeenth century, Matera had fallen into(9) Living conditions were awful. In the
1950s, the people of Matera were moved into better homes. Three decades later, there were efforts to
redevelop the caves as a(n)(10) destination. The efforts paid off. The city's ancient Sassi
("stone") areas were named a UNESCO World Heritage(11) in 1993. In 2019, Matera became a
