My First Day of Art Class

Hi. My name is Molly Green. It's my first day of Art class, and I am really happy and excited. I like to draw and paint a lot. My teacher's name is Sandra Mullins, and she is very nice. She welcomes everyone with a big smile on her face.

The first thing I do when I come into the classroom is put all my art supplies in my locker. I have pencils, brushes, markers, tempera paint, oil and chalk pastels, and drawing paper.

I look for a place to sit. I find a place near the window. I see everything that happens on the street. I can see the people on the street below, and I can also see flowers and trees.

As a first assignment, Ms. Mullins asks us to take out a sheet of paper. We have to sketch a flower vase and a bowl of fruit that are on display. It's a fun and exciting day for me. I can't wait to see what we have to do in our next class!
