If there is not enough information to answer 'Right' (A) or 'Wrong' (B), choose 'Doesn't say' (C).

Sean Murphy

Sean Murphy reads the late news on British television at 11 o'clock each evening.

'This is a good time for a news programme because we can report the early news from America and the late news from Europe. I still arrive home before midnight because the journey from the Television Centre to my home in north London only takes six minutes. My family are all asleep when I get in, but I usually make a drink of hot milk and read a book for about an hour.

'I always get up to have breakfast with my three children before they catch the school bus. Then I take the newspapers and go back to bed for a short time. Later on, I go for a swim – newsreaders spend too much time sitting down! I sometimes go running. I've done the London Marathon twice. That's a race of over 40 kilometres. I finished each time, but I wasn't among the first!

'I start work after lunch at two o'clock, when I go to my office. The rest of the day is spent planning the programme, but I always try to go home for an hour to see my children before they go to bed.'
