

READING

1- Read the article about five collections. Answer the questions.

Magnets

Louise J. Greenfarb from the US has got 45,000 magnets. Some of the magnets are in her kitchen, but all of them are in her house. The magnets are from all over the world.

Keyrings

Angel Alvarez Cornejo from Spain has got 62,257 keyrings. He can't have all the keyrings in his house because he's got too many.

Badges

Seppo Mäkinen from Finland has got 30,105 badges. The badges are from 50 different countries.

Stickers

Nidhi Bansal from India has got more than 100,000 stickers. All her stickers are different. Some are birds and flowers, and others are characters from comics.

Magazines

James Hyman from the UK has got more than 160,000 magazines. They're all different, but most are about music. The magazines are in a big room in a house in London.
