

Great white sharks

Watch the video below, then match the questions to the answers correctly.

Who are you?

Great White sharks are very fast!
Our tails are long and powerful.

Where do you live?

Yes, we're amazing hunters. We
can smell our prey from far away.

Are you dangerous?

I'm a great shark. I'm one of the
biggest fish on earth!

What do you eat?

We can be very dangerous. But we
don't usually attack people.
Instead people often hunt us.

So you have to
Hunt for food?

We live in the ocean. We like to
swim in cool water.

Are you fast?

We eat lots of fish, sea lions,
dolphins and turtles.
