## 2. CHOOSE THE CORRECT NUMBER

The image shows a matching exercise. In the center is a large box with the word "MATCH" at the top and a list of 14 locations below. Surrounding this central box are 16 house-shaped icons, each with a blank oval in its roof and a different illustration in its main body. The icons are arranged in four columns: the first and fourth columns have four houses each, the second and third columns have three houses each. The central list is numbered 1 through 14.
