Lee el texto con atención.

Every day Clancy Wiggum (Górgory) wakes up at 6:00 o'clock, but he gets up at 6:10. Then he goes to the bathroom and shaves, after that he takes a shower. Then he irons his uniform and after that, he gets dressed. At 6:30 he has breakfast. He eats fruit with yoghurt and granola, bread and butter with some ham and cheese. He drinks coffee and some orange juice.

He leaves the house at 7 o'clock. He goes to work by car. He starts work at 7:40. When he arrives at the station he has another coffee with doughnuts. He checks his e-mails and passes the report to the radio station. He works with Eddie and Lou at the police station in Springfield. At 12 o'clock he has lunch in a local restaurant.

After lunch he goes out to the roads to work. There he monitors the roads, helps people in accidents, writes tickets and arrests thieves.

At night he goes back home and has dinner with his son Ralph. After that he takes a shower and watches TV. Finally, he goes to sleep at 11:30.
