I. Copy the following poem on your notebook and send the evidence.

True Friend

There's SOMEONE in your life  
Who's always there at your side,  
Someone who's ready to help,  
Even before you ask for it.

He makes your day bright,  
Puts colors in your gloomy life;  
He's always there, if you only know  
To lean on and hold on to.

Wherever you are and whatever you do,  
Just remember He is leading you.  
There'll be stumbling blocks and hindrances,  
Yet He'll turn these into stepping stones and bridges.

So, just walk on and don't be afraid,  
You're precious to Him because you're His beloved.  
Don't be discouraged for the failures you see.  
Someone is always with you on your journey  
Because He is your TRUE FRIEND and ever will be.
