Earth Day

By Jane Yolen

I am the Earth and the Earth is _____ .

Each blade of _____ ,

Each honey tree,

Each bit of _____ , and stick and stone

Is blood and muscle, _____ and bone.

And just as I need every bit

Of me to make my _____ fit,

So Earth needs grass and stone and _____

And things that _____ here naturally.

That's why we _____ this day.

That's why across the world we say:

As long as life, as dear, as free,

I am the _____ and the Earth is me.
