

1. Match each machine:

Sharpener car scissors bike saw  
hammer watch microwave

SIMPLE MACHINES

COMPLEX MACHINES

2. Match the jobs to the machines:

Hammer

Pencil

Scissors

3. Match each machine:

SIMPLE MACHINES

COMPLEX MACHINES

4. When do you use it? Read and match

## At home

### At school

### In transport

5. Write simplex or complex

[illegible][illegible]

## 6. Read and match

It has many parts

It has a few parts

## 7. Simplex or complex? When do you use it?

[illegible]A blank sheet of graph paper with a grid pattern. The grid consists of small squares formed by light blue horizontal and vertical lines. There are 20 columns and 10 rows of squares. A thicker blue line runs horizontally across the middle, separating the top 5 rows from the bottom 5 rows. Another thicker blue line runs vertically down the center, separating the left 10 columns from the right 10 columns. This creates four quadrants, each measuring 10 columns by 5 rows.A blank sheet of graph paper with a grid pattern. The grid consists of small squares formed by light blue lines.
