

## At the Doctor's Office

Match the sentences with what the doctor or nurse says for each situation.

I want to look at your throat.

**Step on the scale.**

Let me listen to your lungs.

**Lie down on the table.**

I need to check your eyes.

**Make a fist.**

I want to take your blood.

**Open your mouth and say Ahh!**

I am going to examine your body.

**Take a deep breath.**

I need to check your weight.

**Look straight ahead.**

I am going to take your blood pressure.

**Roll up your sleeve.**
