

## TENSES REVISION

Complete the gaps with the correct form of the verbs in brackets

Hi, Elizabeth!

How are you? How's it going in Wales? Thanks for your email! I \_\_\_\_\_ (RECEIVE) it **yesterday while** my sister and I \_\_\_\_\_ (CHAT). I literally \_\_\_\_\_ (CRY) when I \_\_\_\_\_ (SEE) the tickets. I can't believe I \_\_\_\_\_ (GO) to Cardiff **in a week!** You \_\_\_\_\_ (BE) the best friend ever!

As soon as I \_\_\_\_\_ (GET) your email, I \_\_\_\_\_ (SPEAK) to my parents and \_\_\_\_\_ (TELL) them about your present. At first, they \_\_\_\_\_ (NOT BE) very comfortable with the idea of me leaving, but **right now** I think they \_\_\_\_\_ (START) to see how great it would be!

Well, I need to go **now** because I \_\_\_\_\_ (HAVE) my last exam **tomorrow** and I should get some sleep. Thanks for everything!

Love,

Ross
