Clearly by Grace Vanderwaal

There's a world outside my door
I don't know it anymore
I'm gonna stay here now
Close the curtains, cut the light
A bunch of darkness in my mind
It's gonna take me down

The singer realizes that sorrow will make her sad in the past, but it won't change her life at the moment.

All the roads I've been before
Same mistakes always got me shakin'
And all the signs I once ignored
In my denial, I didn't want to face them

The singer is going to stay with her family. She doesn't want to move.

I can see clearly now
The rain has gone
I accept all the things that I cannot change
Gone are the dark clouds
The dawn has come
And it's gonna be a bright,
bright sunshiny day

The singer decides to leave her home and try to find strength in her

There's a world outside my door
I forced my feet down to the floor
I'm gonna make it out
I'm gonna make it out
Take a breath and say a prayer
Find the strength in my despair
It's not gonna take me down
It's not gonna take me down

The singer doesn't want to face denial and difficulties of life.

All the pain in my sorrow
Won't change today, only ruin tomorrow
All the pain in my sorrow
Won't change today, only ruin tomorrow

The singer realizes that she should accept the reality. She will grab her bright future.
