A Baby in a Basket with his sister Miriam

The word **responsibility** means able to answer for one's conduct: able to choose right from wrong. Responsible people live up to their promise and do what is expected of them. They also own up to their actions. In the Bible, a little girl named Miriam demonstrated responsibility.

Jochebed, Moses' mother, placed Moses inside the basket and hid the basket in the Nile River among the reeds. Moses' sister watched from a distance to see what would happen to him. Then, when Pharaoh's daughter went to take a bath in the river, she saw the basket with Moses crying inside!

Miriam asked Pharaoh's daughter if she should get someone to take care of the baby. Pharaoh's daughter agreed. Moses was taken back to his own mother to be cared for. Pharaoh's daughter even paid Moses' mother to care for him.
