

Lost cause - Billie Eilish

Something's in the-

Something's in the air right now
Like I'_____(1) losing track of time
Like I don't really care right now, but maybe that's fine
You _____ (2) even there that day
I was waitin' on you
I wondered if you aware that day _____(3) the last straw for me and I know

I sent you flowers
_____(4) you even care?
You ran the shower and left them by the stairs
Ooh-ooh-ooh, ooh, ooh
Ay-ay-ay-ay, ay, ay

Thought you had your shit together, but damn, I _____(5) wrong
You ain't nothin' but a lost cause
And this ain't nothin' like it once _____(6)
I know you think you're such an outlaw
But you got _____(7) job
You ain't nothin' but a lost cause
And this ain't nothin' like it once was
I know you think you'_____(8) such an outlaw
But you got no job

I used to think you _____(9) shy
But maybe you just _____(10) nothing on your mind
Maybe you were thinkin' 'bout yourself all the time
I _____(11) to wish you were mine
But that was way before I realized
Someone like you would always be so easy to find

So easy (so easy)
He-hee, mm-mm-mm, mm

_____(12) me no flowers
Wish I _____(13) care
You'd been gone for hours
Could be anywhere
Ooh, ooh-ooh, ooh-ooh
Ah-ah-ah-ah-ah

Thought you would've grown eventually, but you _____(14) me wrong
You ain't nothing but a lost cause
And this ain't nothing _____(15) it once was
I know you think you're such an outlaw (yeah)
But you got no job
You ain't nothing _____(16) a lost cause
And this ain't nothing like it once was
I know you think you're such an outlaw (think you're such an outlaw)
But you got no job

What _____(17) I tell you?
Don't get complacent
It's time to face it now, na-na, na-na, na-na
What did I tell you?
Don't get complacent
It's time to _____(18) it now, na-na-na
