MovieStillsDB.com

- A. The Argentinian trap artist Julieta Cazzuchelli has posted a photo of her totally transformed. We used to see her with long hair but now she decided to go for a head.
- B. The American actor Dwayne Johnson, who is also known as "The Rock", became the most followed American man on Instagram last year. He is a man in his forties who uses his platform to share workout routines and to encourage his fans to exercise regularly.
- C. The American supermodel Gigi Hadid shared a cute bikini selfie on Instagram. The different-size across her chest caught her fans' attention.
- D. Mick Jagger, who is the lead singer of the "Rolling Stones", shows us that despite he has deep in his face, he is still very handsome.
- E. The American actress Julia Roberts reached international fame at a very young age. Now, that she has become a woman she has decided to put her acting career on the back burner and prioritise her family.

3. Look at the picture and write a short description of Harry Potter's physical appearance. Write about five of these things: AGE - BODY - HEIGHT - HAIR - FACE - LOOKS.
