_____	_____	_____
_____	_____	_____

Part B : Write a short paragraph about "What would you like to be?"

Read the questions and try to answer them.

What would you like to be in the future? Why?

- In school, what subjects do you have to study well in?
- How much money do you think you can make in a month?

Example: I would like to be a veterinarian in the future because I can help to cure sick animals. I have to study well in math, science, and English. I think I can make 50,000 baht in a month.

What would I like to be?
