

## Other people who help us

There are many workers in the community. They have special skills. Here are some of them.

Date: \_\_\_\_\_

1. Match the names of the workers with the jobs that they do. Write the letter on the line.

|                                       |   |  |
|---------------------------------------|---|--|
| lifeguard or<br>beach<br>warden _____ |    | A. helps us to find the right<br>book in the library   |
| security<br>officer _____             |    | B. makes furniture and other<br>things from wood       |
| carpenter _____                       |   | C. prepares medicines for us<br>when we are sick       |
| librarian _____                       |  | D. helps keep swimmers and<br>our beaches safe         |
| pharmacist<br>_____                   |  | E. protects buildings in our<br>community from thieves |

Find out more about people who help us. Choose a worker in your community. Ask them questions on a worksheet. Tell the class what you find out.
